

## Request for FORCES PRO License - Academic/Sponsorship Use

I have read and accepted the FORCES PRO Software License Agreement for Academic/Sponsorship Use.

I confirm that I am enrolled on an Academic/Sponsorship program at the following degree-granting institution:

---

In particular, I understand that the Academic/Sponsorship License can be used for Academic/Sponsorship research purposes only. Research and development divisions of companies, non-degree-granting centers of universities, and other not-for-profit organizations do not qualify for Academic/Sponsorship licenses. The code generated using this FORCES PRO Academic/Sponsorship license shall not be made available to any institution that does not have a FORCES PRO license without Embotech's consent. Similarly, the results generated using FORCES PRO shall not be made available to any institution that does not have a FORCES PRO license, unless they are publicly disclosed.

I will provide sufficient and detailed information on my application/project on Embotech's Customer Portal

I am working with the following Research Partners (industrial, institutional):

---

---

---

I will notify embotech immediately if any of the provided information changes. I will also notify embotech of any publication, thesis, or presentation that described work done using FORCES PRO and send a PDF copy to [publications@embotech.com](mailto:publications@embotech.com).
